
Select Pi Mobile App:

Getting Started

Range Plans are easy as 1, 2, 3!

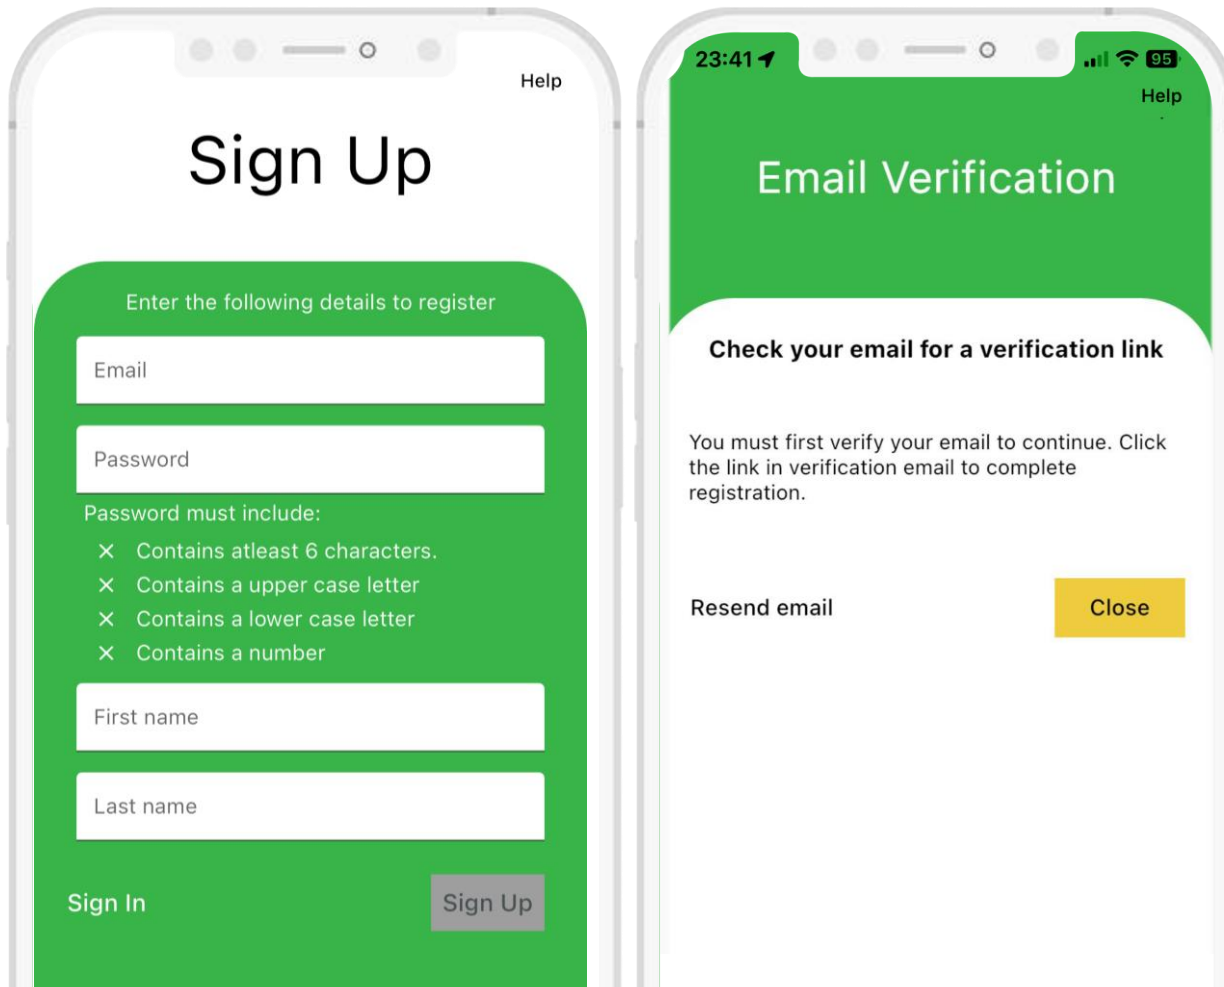

Scan QR to download the app

Download the App ↓

- Click following link to bring up the Select Pi mobile app in the Apple or Google Play store

www.getselectpi.com/mobileapp.html

- Install the free app
- Open the app after it completes downloading.

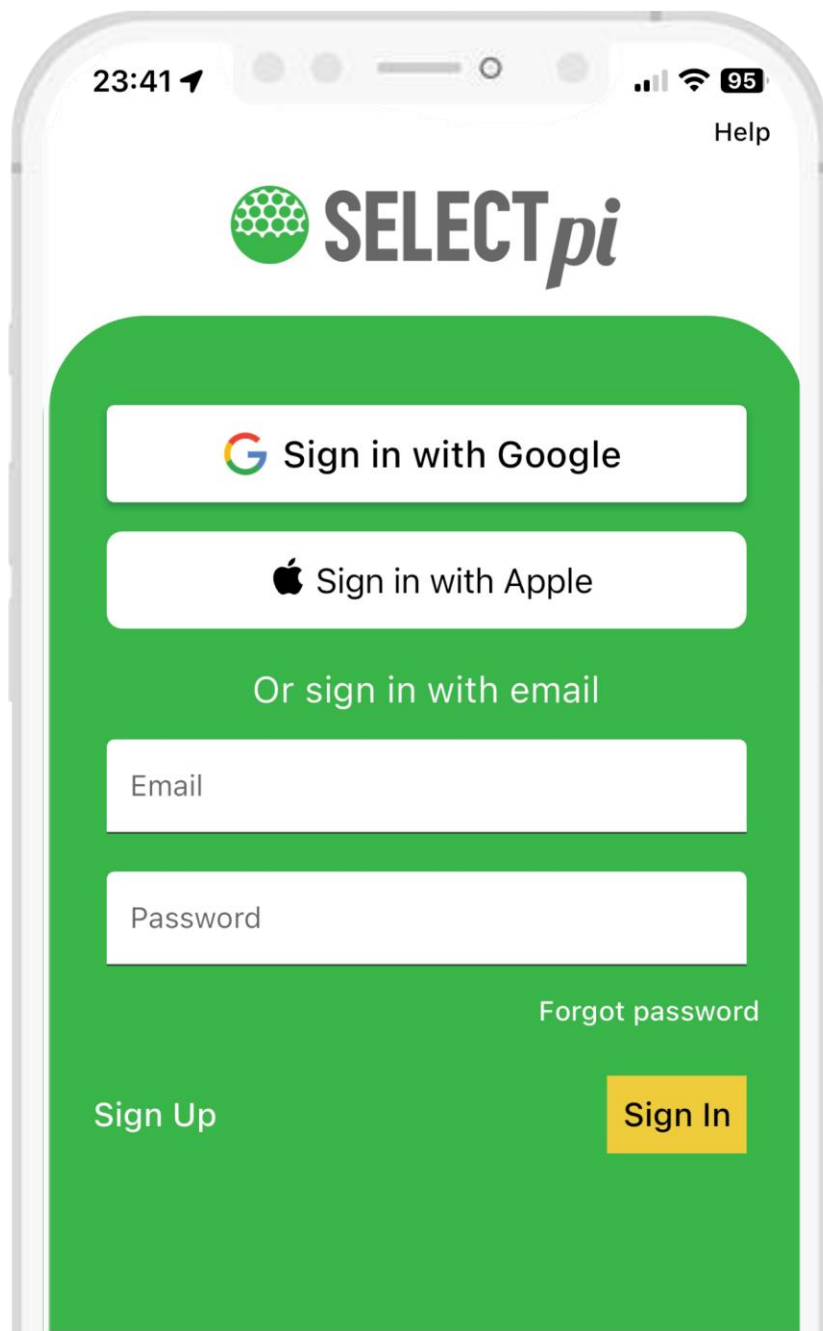

1. Sign Up with Your Email

- When you first open the app, you will first see a sign in screen. Click "Sign Up" in bottom right to get started.
- Complete fields and click "Sign Up". You will then receive an email to verify the email address

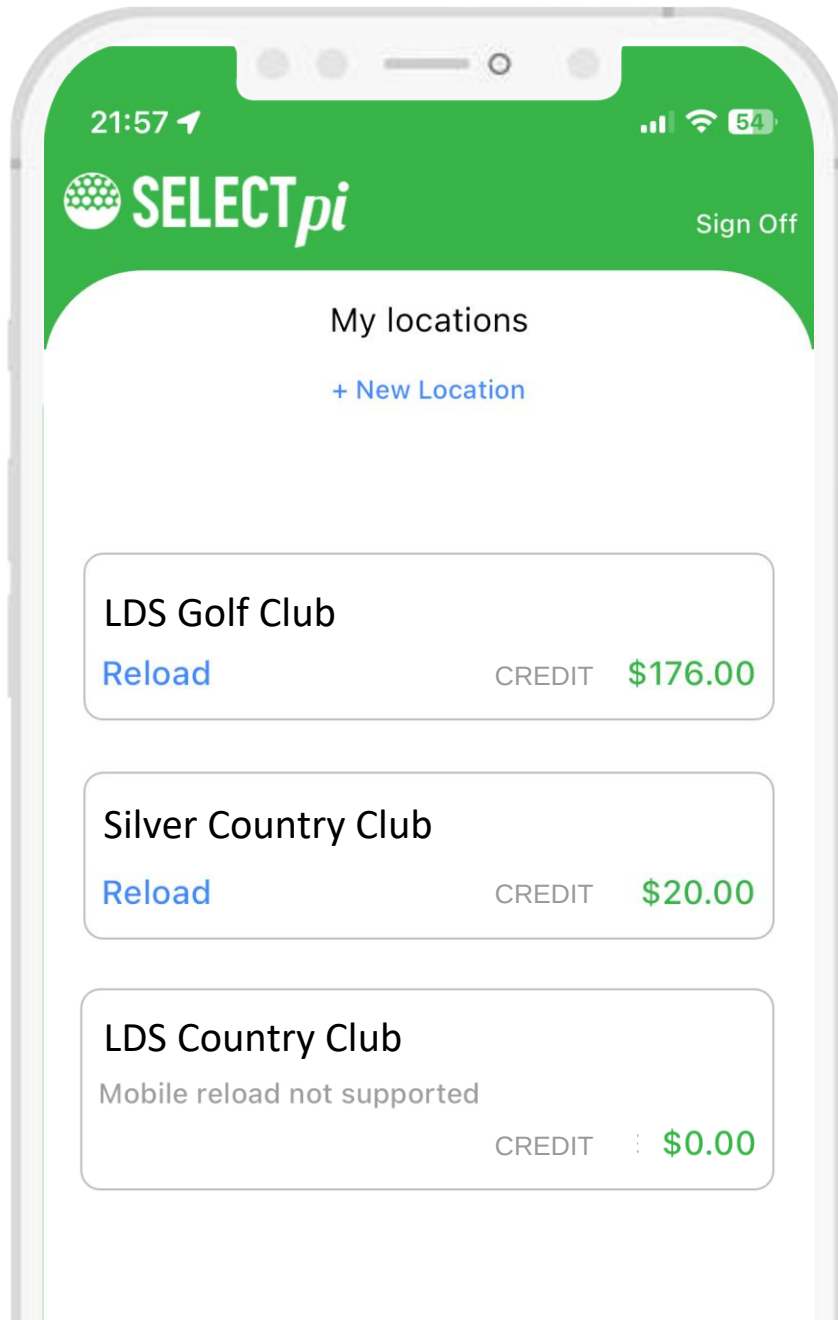

OR

- Sign in with Apple/Google ID (No email verification needed)

2. Next Steps

- This will bring you to the sign in screen. Enter the same email and password entered on the "Sign Up" screen. Click Sign In.
- To link your account to a location, scan the QR code at a dispenser.
- If you have an existing account under the same email you will see your existing credit.
- If you do not have an existing account, your credit will begin at \$0 and you will need to load money before making a purchase
- You can add value at the ball dispenser using a credit card or via the mobile app
- If you need assistance visit the proshop for help.

Linking a Location

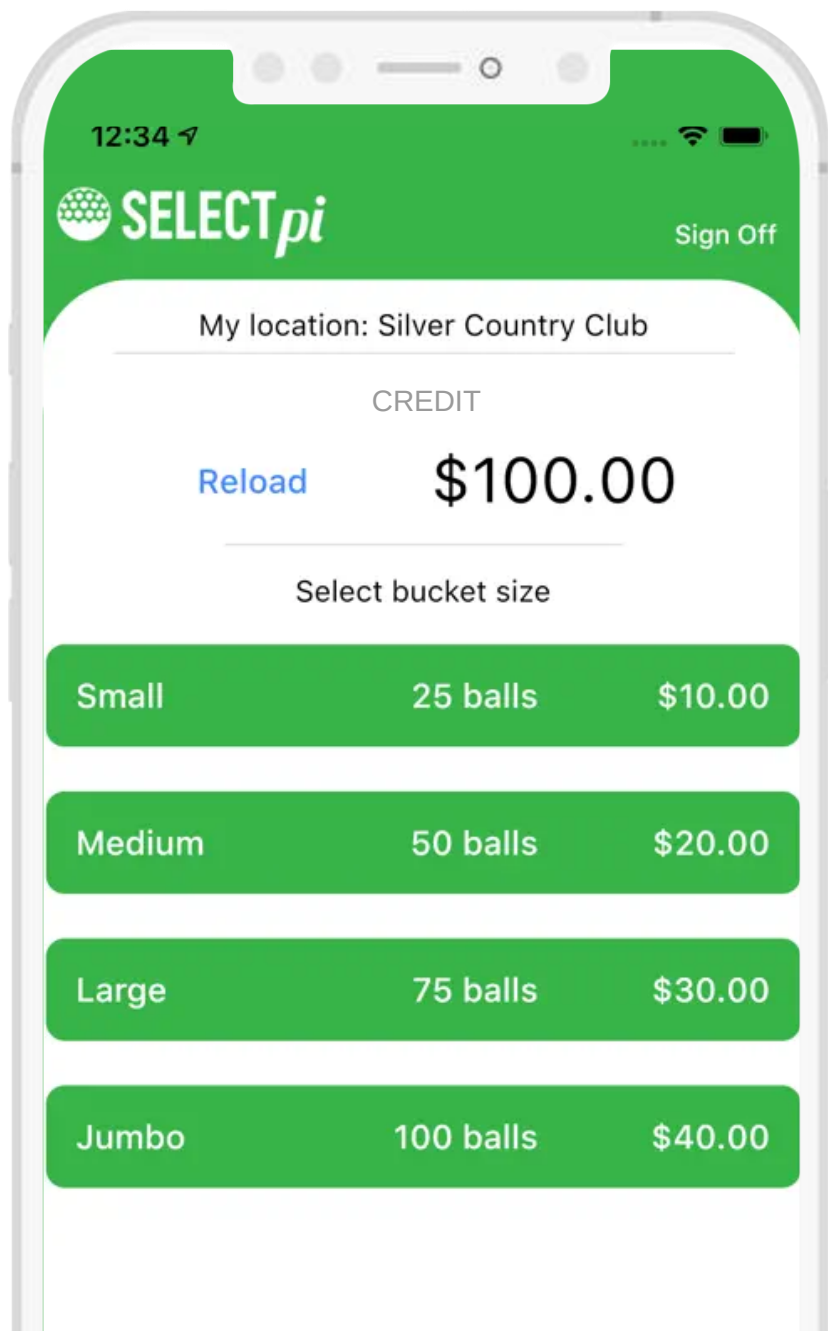

- If you are using the app for the first time, you will need to add a location
- Under "My Locations", click "+New Location" and a question will be prompted:

Are you at dispenser?

Yes: You will scan QR at dispenser.

No: A list of all nearby sites within 50 miles will show and you can add location from app.

- Once added, you will have the option to reload your credit at this facility

General

- The mobile app will act as a range card. If you have an existing account under the same email, you will see your existing balance in the mobile app.
- If you do not have an existing account, your credit will begin at \$0 and you will need to load money before making a purchase.
- If you have a balance at multiple facilities, they can view and manage these under "My Locations".

****Credits are not shared across facilities****

- If you need assistance, visit the proshop for help or contact us directly at support@ontogolf.com

Thank You.
